

FOR YOUR NEXT EVENT,
LET'S EXPLORE...

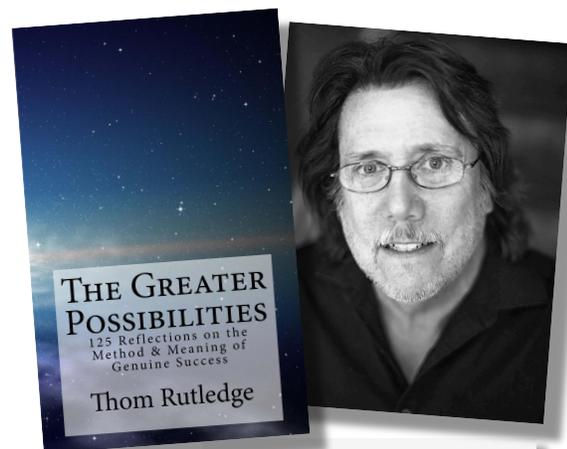

THE GREATER POSSIBILITIES

THE METHOD & MEANING OF GENUINE SUCCESS

The potential for genuine success belongs to every one of us. The power we seek is not power over other people or even power over life's circumstances. The power of true success is revealed when we can see past the barrage of daily distractions to discover our deeper needs for purpose and meaning.

Psychotherapist and best-selling author Thom Rutledge brings a message that is inspirational, practical and thoroughly entertaining. Bring Thom in for a powerful keynote address or, even better, bring him in to spend a day with some of your staff.

You will want to bring him back again and again and again.

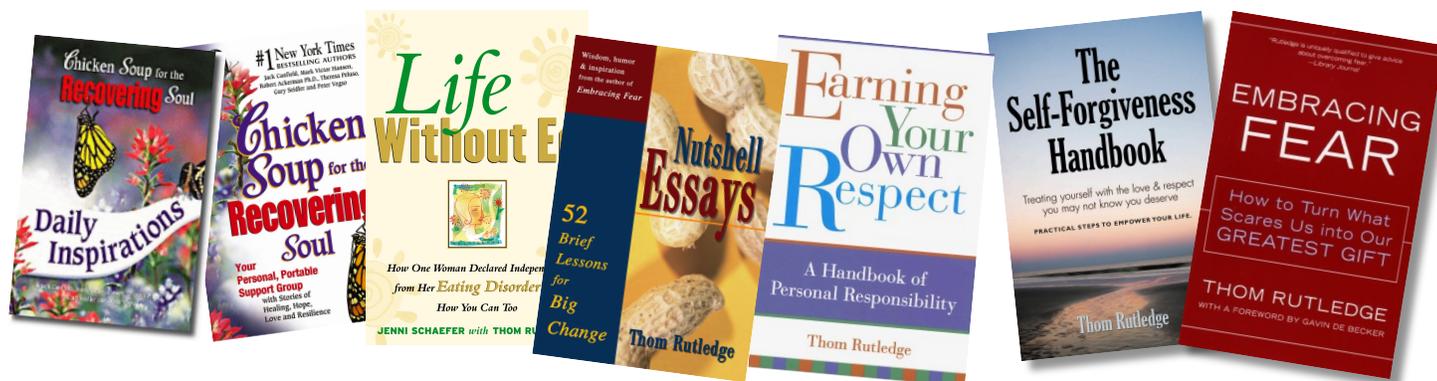

THOM RUTLEDGE
PSYCHOTHERAPIST & AUTHOR

THE GREATER
POSSIBILITIES
IS NOW AN
INSPIRATIONAL
BOOK!

ENGAGING • MOTIVATIONAL • DOWN TO EARTH • HILARIOUS
